Pep Boys Has the Gifts Dads Want This Father's Day

PHILADELPHIA – June 5, 2007 – The Pep Boys – Manny, Moe & Jack (NYSE: “PBY”), the nation’s leading automotive aftermarket retail and service chain, offers some very thoughtful and exciting gift ideas to help dad go “hi-tech” this Father’s Day. Make your Father’s Day celebration one to remember with these great gift ideas:

- Help dad safely back out of the driveway or busy parking lots with the **Roadmaster VR3 Wireless Back-up Camera System**. This easy-to-install camera mounts to your rear license plate and helps to avoid accidents by providing 110° horizontal and 80° vertical viewing angles for an expanded view. Dad pulling a trailer? The camera helps him see behind him to line up his towing hitch with the load.
- Relieve dad of fiddling with folding road maps or stopping to ask for directions. The **TomTom ONE Portable In-Car GPS Unit** features preloaded maps of the U.S. and Canada, voice-prompted turn-by-turn directions and a super-slim touch screen display. It’s so easy, just plug in and go.
- Does dad need a radar detector? How about a **Cobra 6-Band Radar/Laser Detector**? This unit detects 4 types of radar, 3 laser and 2 safety signals. Not available in Virginia.
- Get dad’s wheels spinning this Father’s Day with a new set of tires. Purchase any 3 **select tires** and get the 4th tire FREE after mail-in rebate. See store for current offer. Must include tire installation package which includes valve stems, balancing and road hazard warranty.
- With thousands of Father’s Day gifts in stock, why not let dad choose? The **Pep Boys Gift Card** gives him the freedom to make up his own mind and select a gift that fits him best. Choose any amount from \$10 to \$1,000 for products and services, which can be redeemed at any Pep Boys location nationwide or on the Web at pepboys.com.
